

VX 680

BRILLIANT PAYMENTS ANYWHERE

Go places with VeriFone's VX 680. Specifically tailored to the needs of merchants on the move, this full-function, portable payment device is power packed with performance. Businesses from delivery services and stadium vendors to restaurants will benefit from wireless connection options, lightning-fast processing speeds and the reliability and security of the proven VX platform.

SMALL DESIGN, BIG PERFORMANCE

- Delivers wireless connection through GPRS or WiFi/Bluetooth combo or 3G to meet any environment requirement
- Empowers mobile payments with VeriFone's NFC software technology, enabling the full flexibility to manage multiple NFC mobile wallets, apps and programs
- Supports loyalty-building, profit-producing and value-added applications
- Offers maximum security and compliance with end-to-end encryption and VeriShield Total Protect
- Internal PIN pad streamlines debit transactions

Multiple Connectivity Options

Maximum Security

3.5" QVGA Touch Screen

SPECIFICATIONS
